

**UK Criteria for the Consideration of 2010 UNESCO Chair and UNITWIN Network Proposals**

- The role of the UK National Commission, as directed by UNESCO, is to consider and evaluate proposals for the establishment of **new UNESCO Chairs in the UK** and to select a small number of high quality proposals each year to put forward to UNESCO for consideration. In addition, the UK National Commission also considers and evaluates proposals for the establishment of **new UNITWIN Networks led by UK institutions** and selects high quality proposals to give its endorsement for UNESCO's consideration.
- In line with UNESCO's new strategic orientations for the UNITWIN/UNESCO Chairs Programme (outlined at UNESCO's 176<sup>th</sup> Executive Board in April 2007) a strong emphasis is placed on **high quality** proposals which are **relevant, strategic** and **dynamic**.
- The UK National Commission for UNESCO will consider proposals using the UK criteria stated below. This supersedes earlier UK criteria and takes into consideration UNESCO Headquarter's guidelines for the submission of proposals as outlined in UNESCO's "Guidelines and Procedures for the UNITWIN/UNESCO Chairs Programme" 2009, which can be found at <http://unesdoc.unesco.org/images/0014/001439/143918E.pdf>
- Prospective applicants should also read the UK Guidance Note 2010 which accompanies this document.
